COMMEDIA HAS A DREAM! The Musical

Where: Balcony Theatre

I Commedianti Georgiani present Improv comedy in the style of Italian commedia dell'arte--this time as an original musical! When the foul-tempered Masters decide to split the town into two sides, their "separate but equal" policy just doesn't work. Pantalone realizes that his side of town is really "the crap end," and he declares war on Dottore. Set to an original and hilarious score of music by Justin Birdsong, the civil war of Commedia-town promises to end this season with stitch-in-your-side, tears-in-your-eyes laughter! As always, commedia shows are FREE!!
